Dietary Restrictions and Food Allergies
Attendees with special dietary needs that are medically necessary have the responsibility to make the University of Oklahoma event staff aware of their needs. Event staff will use reasonable efforts to pass special need information on to the Hotel or catering staff regarding food allergies and dietary restrictions. Hotel or caterer is solely responsible for the preparation of the food and University has no control other than to confirm with the Hotel they have been made aware of the special dietary needs and are accommodating the need.

Because of the number of meals served and the number of items used each day, along with food product changes from food vendors, it cannot be guaranteed that every allergen in the food served will be identified and labeled. Attendee acknowledges and understands that there is a possibility of cross-contamination of food prepared in the Hotel or caterer’s kitchen, and Attendee agrees to assume the risk. The University cannot assume any liability for adverse reactions to food consumed, or items one may come in contact with while eating at the event. Attendees with life-threatening food allergies who may need to use an Epi-Pen or other similar treatment should be carrying their own and be able to administer them. University event staff are not trained to administer Epi-Pens and cannot provide or administer them.

Attendee acknowledges that there are certain risks of physical injury or illness associated with consumption of food at the event, up to and including death. Attendee acknowledges and hereby states that participation in this Activity is entered into as a free and voluntary act. By clicking “I Agree” below to agree to these terms and conditions, Attendee hereby releases the Board of Regents of the University of Oklahoma its employees and agents from any liability whatsoever related to any adverse reaction to food consumed or which attendee came in contact with while at the event. Attendee understands that by agreeing to these terms, attendee gives up substantial legal rights that attendee may otherwise have to recover damages.

Rebate Disclosure
